Police Dept is ok with this request.

As with most request for block party request for blocking off streets, we would request an individual be in charge with cell phone access and another party in charge of each end of the street.

Dear Board Members,

I am writing to request permission to block off Henry Street in Cushman Village for our annual May Day celebration, Saturday May 1, 2010 from 9:00 am - 1:00 pm. The portion of Henry Street to be blocked off would extend from the intersection at Pine St to the intersection at Market Hill Road. We would like to request the delivery of two large saw-horses from the Public Works Department for use at each intersection. Delivery to the Cushman Pre-School site or one of the intersections would be convenient.

As always there will be no alcoholic beverages served at this event and we will monitor each intersection for emergency vehicle access should the need arise.

In anticipation of your approval, please join us for our annual pancake breakfast and May Pole festivities with the Morris dancers!

Sincerely,

Nancy Farber

Director

Hi Judith --

Attached is the agenda for Monday. A couple of things:

- I never heard back from Larry, and his Town Manager's report needs more info.
- I added the Cushman May Day Request as an untimed item. If that isn't ready, please delete that. They don't need to come to the meeting for that, by the way.
- It's a long agenda, and it's fine to have it go on to the back page, but if at all possible, I would like it if only the Calendar Preview ended up on the back.
- Alisa asked to have the Town Manager's Report always on the motion sheet -- it helps her to take notes

Here's my list of packet stuff:

Timed items:

- Ceremonial Swearing in -- nothing
- Public Comment -- nothing
- SB Reorg vote -- nothing
- Taxi licences -- whatever you have
- Parking Request -- the original request (I'll forward,) the map, the approvals, and anything else you might have
- Voting SB Positions on warrant articles -- the warrant and an article assignment sheet (list of articles with FC and SB positions and speakers that gets filled in over time, and we get updated versions as necessary.)
- Town Manager's Report -- if he has anything
- BCG Update -- I'll send you summary points from the last meeting
- JCPC Update -- nothing
- Liaison and Rep reports -- nothing
- Issues and updates -- nothing
- Chair's Report -- nothing

Untimed items

- Sign the warrant -- warrant
- Farmer's Market Request -- the request and approvals
- Cushman Request -- if ready; request and approvals
- Minutes -- I will forward a new set from Aaron
- Special Liquor Licenses -- whatever you have
- Committee appointments-- if there are any
- FY 11 Budget Qs -- nothing

- Liaison Assignments -- do you have a list of these? If so, please include it.
- Committee agenda/minutes postings -- nothing

I think that's everything. Thanks!

Stephanie
